

Memo

To: Manufacturers of Medical Devices

From: Wendy Morgan, Chief of Public Protection Division
Vermont Office of the Attorney General

Date: October 14, 2010

Subject: Update of Samples Guide and Data Submissions

In response to some of the issues raised in Tuesday's call, we will be providing updates to the 2011 Guide on Samples, and will be developing updated reporting forms. We anticipate the updates will be available in December.

Please feel free to submit additional questions as they arise. Unless questions are of an urgent nature, our answers will be compiled in December.

Regarding data submission, after consultation with our IT staff we have determined that we will not be able to accept data in an excel spreadsheet. Please continue to use the access database or the disclosure form provided on our website. They, unlike an excel spreadsheet, contain set field values for each required field, making for greater consistency in the data submitted.

*If you have any questions regarding this email or any other matter regarding Vermont's Gift Ban and Disclosure Law, please review the applicable Guide and statutory provisions. Remaining questions may be sent to prescribedproducts@atg.state.vt.us. Please do **not** send an email to the address above. Thank you.*
