Re: Request for Public Records

Dear Mr. Jackson:

I am writing to acknowledge that on February 1, 2017, our office received your request for "access to all records related to: The Investigation of Vermont State Troopers Dennis Giraud, and Seth Loomis in connection with the 5/28/2014, shooting of Eric D. Jackson (DOB 11/23/1986)."

In order to respond to your request, it will be necessary to search for, collect, and appropriately examine a voluminous amount of separate and distinct records. It is likely that your request will involve records dealing with the detection and investigation of crime that are exempt from public inspection and copying pursuant to 1 V.S.A. § 317(c)(5). Records may be exempt pursuant to other subsections of 1 V.S.A. § 317(c), as well. Records may be redacted pursuant to 1 V.S.A. § 318(e).

Pursuant to 1 V.S.A. § 318(a)(5)(B), we require an extension of time to conduct a review and make a determination in this regard. We expect to send a response to you no later than February 15, 2017 as to the number of documents that can be produced.

Sincerely,

A handwritten signature in black ink that reads "Zachary J. Chen".

Assistant Attorney General
