**Subject:** Consumer Complaint Request (FOIA)

I'd like to request the information for consumer complaints filed against financial, legal or debt collection companies with your office between the dates of 4/1/16 - 2/28/17.

We do not need identifying consumer data, that can be omitted or redacted. We are primarily interested in the names/addresses of the companies being complained about, the date and nature of the complaint, and some sort of unique identifier for each complaint if you have one.

We would like to request complaint data received to date, and then periodically come back to request updates.

Our previous request was responded to by Janet Murnane. The following were the column headings of the spreadsheet sent:

Matter Number  
Summary Date  
Opened  
SubTradeCode  
Trade Code  
Business Name  
Address  
City  
State  
Zipcode  
Phone Number  
Email Address

Thank you!

Teri Doerr
