To Whom It May Concern:

Under the Vermont Public Records Law, §315 et seq., I am requesting an opportunity to inspect or obtain copies of:

- consumer complaints related to TeleMDCentral (telemdcentral.com; address: 70 S Winooski Ave, Suite #209; Burlington, VT 05401) from the years 2014-2017. Key terms that would facilitate your search include: "telemdcentral.com," "tele md central," telemd central," or "tele mdcentral."

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25. In order to help determine fees, you should know that I am an investigative journalism student at Columbia University Graduate School of Journalism and the records are needed for my class project on telemedicine scams. However, I would like to request a waiver of all fees because the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of how telehealth scammers operate. My work may be viewed as assisting the Attorney General's Office in calling attention to the danger these scammers pose to the public. This information is not being sought for commercial purposes.

The law requires a response to this request within 2 days, or within 10 days for extraordinary circumstances. If you expect a significant delay in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

A handwritten signature in black ink that reads "Zsolt Bobis".
