Re: Public Records Request

Dear Mr. Bobis:

I am writing in response to your February 28, 2017 request for public records which was received by our office on March 20, 2017. You requested records of complaints made to the Vermont Attorney General's Office related to TeleMDCentral, with suggested additional search terms of "telemdcentral.com", "tele md central", "telemd central", and "tele mdcentral".

I have searched our complaints database for complaints against TeleMDCentral—including using all the suggested additional search terms listed above—and found no complaints in our system.

Best Regards,
