Re: Certain records generated and/or held by Attorney General Sorrell  
Public Records Request

Gentlemen:

This is to follow up on Assistant Attorney General Sarah London's reply to your June 9, 2017 request that the Attorney General's Office search for certain emails to and from former Attorney General Sorrell.

The Office has consulted with the Vermont Agency of Digital Services about your request, and that Agency is helping us with the search. We expect to know within the next week or ten days whether any responsive records exist and whether responsive records may be produced. We will keep you informed on our progress.

Thank you.

Very truly yours
