Subject: Request for public records

Please accept this email as a request pursuant to Vermont's public records law for copies of any guidance issued by the Attorney General's office concerning the use of personal communication applications, such as Confide, Signal, WhatsApp, etc., by State employees for State-related business. The time period of the requested records is August 1, 2016, to the present.

I agree to pay applicable fees up to \$25.00. To minimize the burden of production, I am willing to accept documents in electronic format or double sided copies.

Thank you in advance for your time and effort.

Sincerely,
