Re: Public Records Request for the Office of the Attorney General

Dear Custodian of Records:

Under the Vermont Public Records Law, §315 et seq., I am requesting an opportunity to inspect or obtain copies of public records that have anything to do with the following:

- Any and all records of communication between the Office of the Governor and Vermont Regional Center employees related to the EB-5 program and its projects since the year 2006

If there are any fees for searching or copying these records, please inform me. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the Agency of Commerce and Community Development's oversight of EB-5 projects.

This information is not being sought for commercial purposes.

The law requires the custodian to promptly respond to this request, or within 10 days for extraordinary circumstances. If you expect a significant delay in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records. I can be contacted at:

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.
