Dear 

RE: NOTICE OF DATA BREACH

Jackson's Hardware, Inc. ("Jackson's Hardware") values and respects the confidentiality of the information entrusted to us and the privacy of the individuals who provide us with that information. This is why we are writing to advise you of an incident that may have involved some of your personal information. We have no reason to believe that your personal information has been misused for the purpose of committing fraud or identity theft. Nonetheless, we are writing to advise you about the incident and to provide you with guidance on what you can do to protect yourself, should you feel it is appropriate to do so.

**What Happened?** On October 4, 2022, we discovered unusual activity on our computer network. Upon identifying the issue, we promptly began an internal investigation and worked to secure our systems. We also engaged a forensic security firm to assist with our investigation. The forensic investigation recently concluded and determined that an unknown, unauthorized third party accessed our computer systems from October 4, 2022 until October 20, 2022 and may have accessed and acquired certain documents from our systems as a part of the incident. In light of that, we reviewed those documents to identify whether they contained any personal information.

**What Information Was Involved?** On October 17, 2022, we determined that we cannot rule out that two of the files that contained some of your personal information may possibly have been viewed or acquired. This information includes your name, date of birth and Social Security number.

**What We Are Doing.** In addition to the actions described above, we have also taken steps to reduce the risk of this type of incident occurring in the future, including enhancing our technical security measures. We are also notifying you of the incident so that you can be aware and take steps to protect yourself. Finally, although we are not aware of any instances of fraud or identity theft resulting from this incident, out of an abundance of caution, we are offering a complimentary one-year membership of Experian IdentityWorks<sup>SM</sup> Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. IdentityWorks Credit 3B is completely free to you and enrolling in this program will not hurt your credit score. **For more information on identity theft prevention and IdentityWorks Credit 3B, including instructions on how to activate your complimentary, one-year membership, please see the additional information attached to this letter.**

### **Additional Important Information**

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

**Credit Reports:** You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting [www.annualcreditreport.com](http://www.annualcreditreport.com), by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. **Fraud Alerts:** You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at [www.annualcreditreport.com](http://www.annualcreditreport.com).

**Credit and Security Freezes:** You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze can be placed without any charge and is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:
