Lauren,

Hope all is well.

Thanks very much. This is helpful.

I have a public diagram of underground parking at 32 Cherry Street with the assigned spots, but willing to make sure it is the same one that I have. Please forward. The designation of about three dozen parking spots for court staff, prosecutors, corrections, buildings and others does not meet any standard for withholding the sketch.

As far as the other withheld item, please identify which pending public case and docket number that you are talking about.

Thanks

Mike Donoghue
