Request for Copy of Final Consent Judgment with JUUL

Message

I am writing to request a copy of the final consent judgment between JUUL Labs, Inc. and the State of Vermont. I am interested in reviewing this judgment to better understand the terms of the settlement and how they will impact public health and safety in the state.

If there are any fees associated with obtaining the final consent judgment, please let me know the amount and how to remit payment. If the judgment is available electronically, I would prefer to receive it by email.

Thank you for your attention to this matter. I appreciate your commitment to protecting the interests of the citizens of Vermont.
