Good Morning,

Thank you for your response to my request. I have received and reviewed the documents I was provided. However, I am looking for additional materials. Specifically, there are various exhibits referenced in the State Police reports. Does your office have copies of these exhibits (i.e. body camera audio and video, recordings or notes of any of the interviews that were conducted). Furthermore, my initial document request was quite extensive. Please let me know if your office has and can provide me with any of the other documents I have requested and if not, can you please let me know why (whether the documents are privileged, or you simply do not have them).

Thanks,
Pat
