

EARTH DAY

BY GRETA [REDACTED]

MSMS, [REDACTED]

EARTH DAY TO ME IS A DAY TO CELEBRATE THE EARTH AND TO REALIZE THE IMPORTANCE OF THE EARTH. SOME OF THE THINGS I APPRECIATE ABOUT VERMONT IS THAT THERE ARE PLENTY OF THINGS TO DO OUTSIDE. IN THE WINTER YOU CAN GO SKIING OR SNOWBOARDING. IN THE SUMMER YOU CAN GO SWIMMING OR HIKING. I BELIEVE THAT PEOPLE IN VERMONT OR ANYWHERE IN THE WORLD ARE REALLY LUCKY TO HAVE THE OPPORTUNITY TO EXPERIENCE ANYTHING OUTDOORS LIKE THAT.

EVERYONE IN VERMONT SHOULD HAVE ACCESS TO ONE THING TO DO OUTDOORS AND HAVE FRESH CLEAN AIR TO BREATHE. IN SOME PLACES THERE IS NOT A PLACE WHERE YOU CAN STEP OUTSIDE AND HAVE CLEAN AIR OR AN ACTIVITY TO DO OUTSIDE.

CLIMATE CHANGE IS HAPPENING AND IT'S REAL, IT'S AFFECTING THE EARTH AND TAKING AWAY THE THINGS WE LOVE. HUMANS ARE CAUSING CLIMATE CHANGE SO THE ONLY WAY TO FIX IT IS FOR HUMANS TO STOP IT . I THINK THAT AROUND THE WORLD EVERYONE SHOULD CELEBRATE THE EARTH WHILE YOU STILL CAN AND TRY TO DO AS MUCH AS YOU CAN TO HELP.

SOME OF THE THINGS THAT I AM TRYING TO DO TO HELP THE EARTH ARE CREATING LESS FOOD WASTE, RECYCLING MORE AND PICKING UP MORE TRASH. ASKING MY PARENTS ABOUT AN ELECTRIC CAR OR TRUCK AND USING LESS GAS POWERED VEHICLES . I ALSO THINK THAT IF EVERYONE JUST PUTS IN THE EFFORT TO DO A LITTLE BIT FOR THE EARTH IT COULD MAKE A HUGE DIFFERENCE.

IN THE TIME THAT I HAVE BEEN ALIVE I HAVE SEEN LOTS OF PEOPLE DISRESPECTING THE EARTH, SOMETIMES PEOPLE WILL JUST THROW TRASH OUT THE WINDOW OF THEIR CAR AND IT WILL END UP ON THE GROUND. ALSO JUST LEAVING TRASH OR RECYCLING EVERYWHERE FOR IT TO SIT THERE AND NEVER GO AWAY.

THE GOOD THING IS SOME STATES AND COUNTRIES ARE TRYING TO HELP. ONE EXAMPLE IS VERMONT, VERMONT HAS A GREEN UP DAY WHERE YOU GO AROUND

YOUR TOWN AND PICK UP TRASH THAT IS ON THE GROUND. VERMONT IS ALSO TRYING TO HELP WITH REDUCING GREENHOUSE GAS EMISSIONS.

I THINK THAT CLIMATE CHANGE IS GETTING BAD AND IT IS GOING TO AFFECT US ALL VERY SOON. BUT I THINK THAT WE CAN ALL HELP. LITTLE THINGS THAT YOU CAN DO EVERYDAY CAN MAKE A BIG DIFFERENCE WITH HELPING THE EARTH.
