

Earth day

EARTH DAY IS A CELEBRATION OF THE EARTH'S ACHIEVEMENTS AND HOW PEOPLE CAN REFLECT ON HOW THEY HELP THE EARTH AND HOW WE CAN STILL KEEP HELPING THE EARTH TO THIS DAY. DUE TO MANY ISSUES LIKE POLLUTION, GLOBE WARMING, AND CLIMATE CHANGE OUR WORLD IS SUFFERING.

EARTH DAY MOTIVATES PEOPLE TO TRY AND MAKE A CHANGE FOR THE EARTH. EARTH DAY STARTED ON APRIL 22, 1970 SO PEOPLE COULD RAISE AWARENESS ABOUT THE EARTH AND TRY TO HELP PROTECT IT FROM HARM, THOUGH MANY PEOPLE HAVE TRIED TO DO JUST THAT THE EARTH IS EVEN WORSE THAN WHEN WE STARTED BECAUSE OF FOSSIL FUELS.

I THINK IT'S TIME TO TAKE SOME ACTION BECAUSE IF WE GO ON LIKE THIS THE EARTH WILL BE GONE BY 2090. IF WE WANT THE EARTH TO KEEP THRIVING THEN WE HAVE TO FIND A WAY TO TRY AND HELP THE EARTH LIKE: GETTING OFF FOSSIL FUELS, OR GETTING AN ELECTRIC CAR OR MAYBE GETTING A WOOD STOVE, EVEN GETTING A HEAT PUMP INSTALLED, YOU COULD ALSO GET SOLAR IF YOU REALLY WANTED TO.

I JUST THINK WE SHOULD DO ALL WE CAN TO HELP THE EARTH, EVEN THE LITTLE THINGS LIKE PICKING UP TRASH OR PUTTING THE STUFF THAT CAN GO IN THE RECYCLING IN THE RECYCLING. LITTLE STUFF LIKE THAT CAN HELP JUST AS MUCH. BECAUSE PERSONALLY I WOULD LIKE THE EARTH TO BE HERE IN 100 YEARS.

NOWADAYS PEOPLE DON'T SEEM TO TAKE NOTICE OF THE EARTH'S ENVIRONMENT, WELL SOME PEOPLE DO, BUT IF WE WANT TO TAKE ACTION THEN WE NEED TO RAISE AWARENESS FIRST. SOME WAYS TO RAISE AWARENESS ARE TALKING TO PEOPLE THAT MAY BE IN A POSITION TO HELP LIKE THE GOVERNOR, VICE GOVERNOR OR MAYBE EVEN SOMEONE IN THE LEGISLATURE. THERE ARE MANY WAYS TO RAISE AWARENESS AND HELP THE EARTH EVEN THOUGH SOME ACTS ARE SMALLER THAN OTHERS THEY ARE STILL IMPORTANT BECAUSE DOING SOMETHING IS BETTER THAN DOING NOTHING.

THIS IS WHY I THINK EARTH DAY IS IMPORTANT BECAUSE IT GIVES KIDS A CHANCE TO PARTICIPATE IN HELPING THE EARTH BECAUSE IT'S THEIR EARTH TOO.
