Dear Jake Lindstrom,

Thank you for your public records request dated June 27, 2023. Please note that the Attorney General's Office is not the custodian of the records you seek. Please contact the Department of Health via this link: <https://healthvermont.gov/about/contact/public-records>

Please also note that requests for records in the custody of other State offices must be directed to those offices. The Attorney General's Office is able to produce *only* records for which it is the custodian.

Thank you,
