Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

I want to know exactly how many people are being housed in hotels, schools, state buildings or otherwise in the burlington, South burlington, winoski and williston areas. I also want to know exactly how much per NIGHT this is costing the citizens of this state. I want to know how much overall (since the COVID emergency housing until now) this has costed us.
