Hello,

This is a request under the Vermont Public Records Act. I am trying to understand the extent to which prosecutors, investigators, or other employees at the Attorney General's office or any of the various State's Attorneys offices are considered law enforcement officers under Vermont law.

To that end, please provide records sufficient to list any and all sworn law enforcement officers at the AGO or any of the of State's Attorneys offices. For each officer, I am looking for at least the following information:

- Name
- Job title or rank
- Level of certification
- Office or unit affiliation
- Start date at the agency or office
- 2022 salary
- 2022 overtime pay

Please understand that I am only looking for information on sworn and certified law enforcement officers. If no employees at these agencies hold this status, a simple explanation of such would suffice.

Thank you,
Brian Waters
