Hello,

This is a request under the Vermont Public Records Act. It is a follow-up to a request I made on July 25, asking for information on law enforcement officers employed by the Attorney General's office. In response, you identified six such officers. In this follow-up request, I am seeking documents sufficient to establish the following demographic information for each officer:

- Gender or sex
- Year of birth (or age, if YOB is not available)
- Race or ethnicity

I apologize for splitting this request in two; I was not even sure your office employed officers at the time of my initial request, and wanted to simplify things.

Thank you very much,
Brian Waters
