Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

I am writing to request public records under Vermont's Public Records Act, in my capacity as associate at My Cannabis Accountant, an accounting firm specializing in the cannabis industry.

Our firm offers specialized accounting services to businesses within the cannabis industry, including dispensaries, cultivators, processors, and deliverers. As part of our initiative to expand our services to as many cannabis businesses as possible, we are seeking the following information on registered cannabis businesses in the state from July 1, 2018 to August 4, 2023:

Business Names

Business Addresses

Business Phone Numbers

Contact Person(s) for each business

Business Email Addresses

We understand that some of this information may be exempt from disclosure under personal privacy provisions. However, our intent is to use the data solely to inform these businesses about our specialized accounting services which are tailored to the needs of the cannabis

industry.

Should there be any fees associated with the search or copying of these records, kindly notify me beforehand. While we do intend to use this information for commercial purposes, we believe the request aligns with public interest by promoting transparency and professionalism in the financial management of the cannabis industry.

If any portion of this request is denied, please cite the specific exemption you believe justifies the refusal to release the information and inform me of any appeal procedures available under the law.

Thank you for considering my request.
