Re: Public Records Request

Dear Alan J. Keays

I write in response to your Public Records Act request dated August 8, 2023, in which you request:

Any and all audio and video taken from the St. Albans police station and officer body camera footage of the incident Nov. 26, 2017, involving Officer Joel Daugreilh of the St Albans Police Department leading to the criminal charge against him.

Pursuant to 1 V.S.A. §318(a)(5)(B), the Attorney General's Office will need to invoke its right to additional time to respond due to the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request.

We will further respond within ten business days of receipt of your request.

Sincerely,

/s/ *Domenica Padula*  
Chief, Criminal Division  
Office of the Attorney General
