Re: Public Records Request

Dear Liam Elder-Connors

I write in response to your Public Records Act request dated August 9, 2023, in which you request:

“ I’d like to request video footage of this incident now that the criminal case has been resolved”

Pursuant to 1 V.S.A. §318(a)(5)(B), the Attorney General’s Office will need to invoke its right to additional time to respond due to the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request.

We will further respond within ten business days of receipt of your request.

Sincerely,

/s/ *Domenica Padula*  
Chief, Criminal Division  
Office of the Attorney General
