**RE: Notice of a New Prescription Drug Pursuant to 18 V.S.A. § 4637**

Dear Office of the Vermont Attorney General,

Amneal Pharmaceuticals, LLC (“Amneal”) is issuing this notice pursuant to 18 V.S.A. § 4637(c), which requires prescription drug manufacturers to provide the Office of the Attorney General (the “Office”) with certain information following the release of a drug in the commercial market whose Wholesale Acquisition Cost (“WAC”) exceeds the threshold set for a specialty drug under the Medicare Part D Program.

Amneal released Pemrydi RTU injection (“the Product”) into the market on March 1, 2024, at a WAC that exceeds the threshold set for a specialty drug under the Medicare Part D program. This notice provides the additional required information by 18 V.S.A. § 4637(c) regarding the Product. Amneal notes that the Office of the Attorney General has not yet set forth and released a format for submissions under this section. Furthermore, as authorized by 18 V.S.A. § 4637(d), Amneal has limited the information reported to that which is in the public domain or publicly available.
