Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

Hi,

My name is Aubrey I am a reporter with UVM's Community News Service. I am doing a story about predatory towing in the state and would like any public records you have regarding individual complaints in the past 5 years that involve towing, towed cars, and towing companies. Anything involving public comment and complaints about towing in the state would be useful and appreciated.
