To whom it may concern,

I would like to make a public-records request. Specifically, I would like copies of all written agreements that were adopted on or after January 1, 2020 by the State of VT AG and any and all foreign governments (including any national government; prefectural, state, or provincial government; and city government). This request does **not** include agreements between other US States (e.g., Wisconsin) or any Native Tribes.

These agreements often have titles such as "memorandum of understanding," "compact," "agreement," "joint declaration," and "joint letter of intent." As an example, a 2021 memorandum of understanding between the State and Canada, or between the State and a Japanese prefecture, would fall within the scope of my request.

Thank you for your time.

Best,

Michael B. Behrens
