Re: Public Records Request

Dear Michael:

I write in response to your request for public records, dated November 7, 2023, in which you requested: *copies of all written agreements that were adopted on or after January 1, 2020 by the State of VT AG and any and all foreign governments (including any national government; prefectural, state, or provincial government; and city government). This request does not include agreements between other US States (e.g., Wisconsin) or any Native Tribes.*

On November 8, 2023, you provided clarification of your request during a phone call during which you clarified that *you are not looking for any copies of agreements or grants with entities in the United States.*

Following a search, we have determined that the Attorney General's Office has no records that are responsive to your request.

To the extent that seek records related to former attorneys general, you may contact the Vermont State Archives & Records Administration with your request. I have included a link to their website: <https://sos.vermont.gov/vsara/request/archival-records/>.

Sincerely,

/s/ Lauren Jandl
