Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

I was sold a 2016 Ford Explorer VIN- 1FM5K8D88GGB13187 from a dealership in NY that did not properly disclose prior information on the vehicle. NYS DMV wants to open a case in regards to this matter because it is legally fraud. I have proof all through my car wires left behind and interceptor likes in my tail lights that work. I called the Vermont DMV and I was told that the vehicle was registered or used for the Shelburne VT police department. I am looking for any information pertaining to this I have a title number (0105162502017) date of sale and the dates it was own and inspection dates that were done at the Shelburne highway department. NY is needing something stating it was indeed a government vehicle and linked to Shelburne Vt starting in 1/5/16-10/1/19. Copy of the title registration, letter from the town or police department
