Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

I am seeking police body camera and dash camera footage, as well as a criminal report for suspect Leander Losee. He was arrested by the Springfield Police Department on May 5, 2023. If there are any fees involved, please let me know in advance. If this is not the place to request these records, could you point me in the right direction? Thank you for your time!
