*Re: Vermont Public Records Request*

Dear Attorney Tondrowski,

I write in response to your recent public records request, received January 22, 2024. You requested documents relating to Vermont's Pharmaceutical Marketing Disclosure Law and the Prescribed Product Disclosure. Specifically, you requested:

- a. All pharmaceutical manufacturers' native expense disclosure submissions in compliance with the statute for the years 2002 through 2016.
- b. Documents sufficient to show instructions, guidelines, templates, information sheets, or other guidance provided by the Vermont Board of Pharmacy or the Attorney General's Office to manufacturers and labelers in relation to complying with the statute for the years 2002 through 2016.

Enclosed please find a thumb drive containing documents responsive to your request. Also, additional data on expenditures for prescribed products can be found on our website at <https://ago.vermont.gov/consumer-resources/health-and-product-safety/vermont-prescribed-products-public-data>. If you feel information or records have been withheld in error, you may appeal to the Deputy Attorney General in writing at:
