Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

I was the victim of a head on collision in Orwell (VT). On November 26, 2023. There appears to be an accident report, but I cannot get it from the police or the Addison county court after several attempts. I need the report to process my insurance claims and to settle extensive medical bills. The name of the person that hit me is [REDACTED]. Thank you in advance for your help.
