Re: Public Records Request

Dear Ms. Torgenson,

I write in response to your Public Records Act request dated February 22, 2024, in which you requested any and all information related to the following:

“ records after 2010...that were charged and/or prosecuted where the charge was specifically based on the cause of death “Homicide by Unspecified Means”. If records for the above exist for each of the complaints charged or prosecuted under “homicide by unspecified means” please provide the defendants name and case number.”

We have tried to contact you multiple times through the only contact information that we have, your email; however, we have not received a response. Please note that the Attorney General’s Office does not have any responsive records to your request. Thank you.

Sincerely,

Franklin Paulino
