Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

I am looking for my divorce records as I need the date for a passport application and it isn't a date that I have kept track of. The marriage was between Scott Peirce and myself, named Krisandra Pierce-Peirce at the time (yes, I know; my maiden name was Pierce and I thought that it was clever when I got married at 19). Divorce would have been either in 1999 or 2000. I believe that it was in Washington County as that was where we were living at the time, but I am not sure of that as we didn't have a court hearing.
