Good evening: this is a public records request under the VT Public Records Laws for the VT AG opinion on the above topic that I have found reference to at page with PDF/Printed page numbered 76 in the following VLCT Handbook for Selectboards (link below). I will gladly accept a digitally delivered PDF or a working URL. Per the applicable decisions of the VT Supreme Court, I do not expect to incur or be charged any cost for your office to find this, or to transmit to me a paperless copy, nor do I believe that finding and transmitting an electronic/paperless copy to constitute any form of "unusual circumstances" under the VT Public Records Laws. Despite the perhaps blunt nature of this message, I truly and sincerely appreciate your help and the help of your office on this matter.
