Re: Public Records Request

Dear Jake West:

I write in response to your public records act request dated May 30, 2024, in which you requested: “a current organizational chart for the department including the organizational hierarchy for its sub-offices/divisions/branches. Specifically, please provide the first name, middle name, last name, official title, office, phone number, email address, start date, and pay scale information for each employee.”

Thank you for taking the time to speak with me today by phone. During our call, you narrowed and clarified your request as seeking a list of email addresses for all employees of the Attorney General’s Office. While the office does not have any records responsive to this narrowed request, I am sending the following record and information to assist you in your search:

- The most recent organization chart for the Attorney General’s Office dated May 1, 2024.
- Salaries for Vermont State employees are available online at: <https://data.vermont.gov/widgets/jgqy-2smf>. The AGO is not the custodian of employee salary histories. To the extent you seek official information related to salary history, we recommend you contact the Vermont Department of Human Resources at: <https://humanresources.vermont.gov/data/public-records>.
- Contact information, including phone numbers and email addresses, for all Vermont State employees are available online at: <https://secure.vermont.gov/phonebook/>.

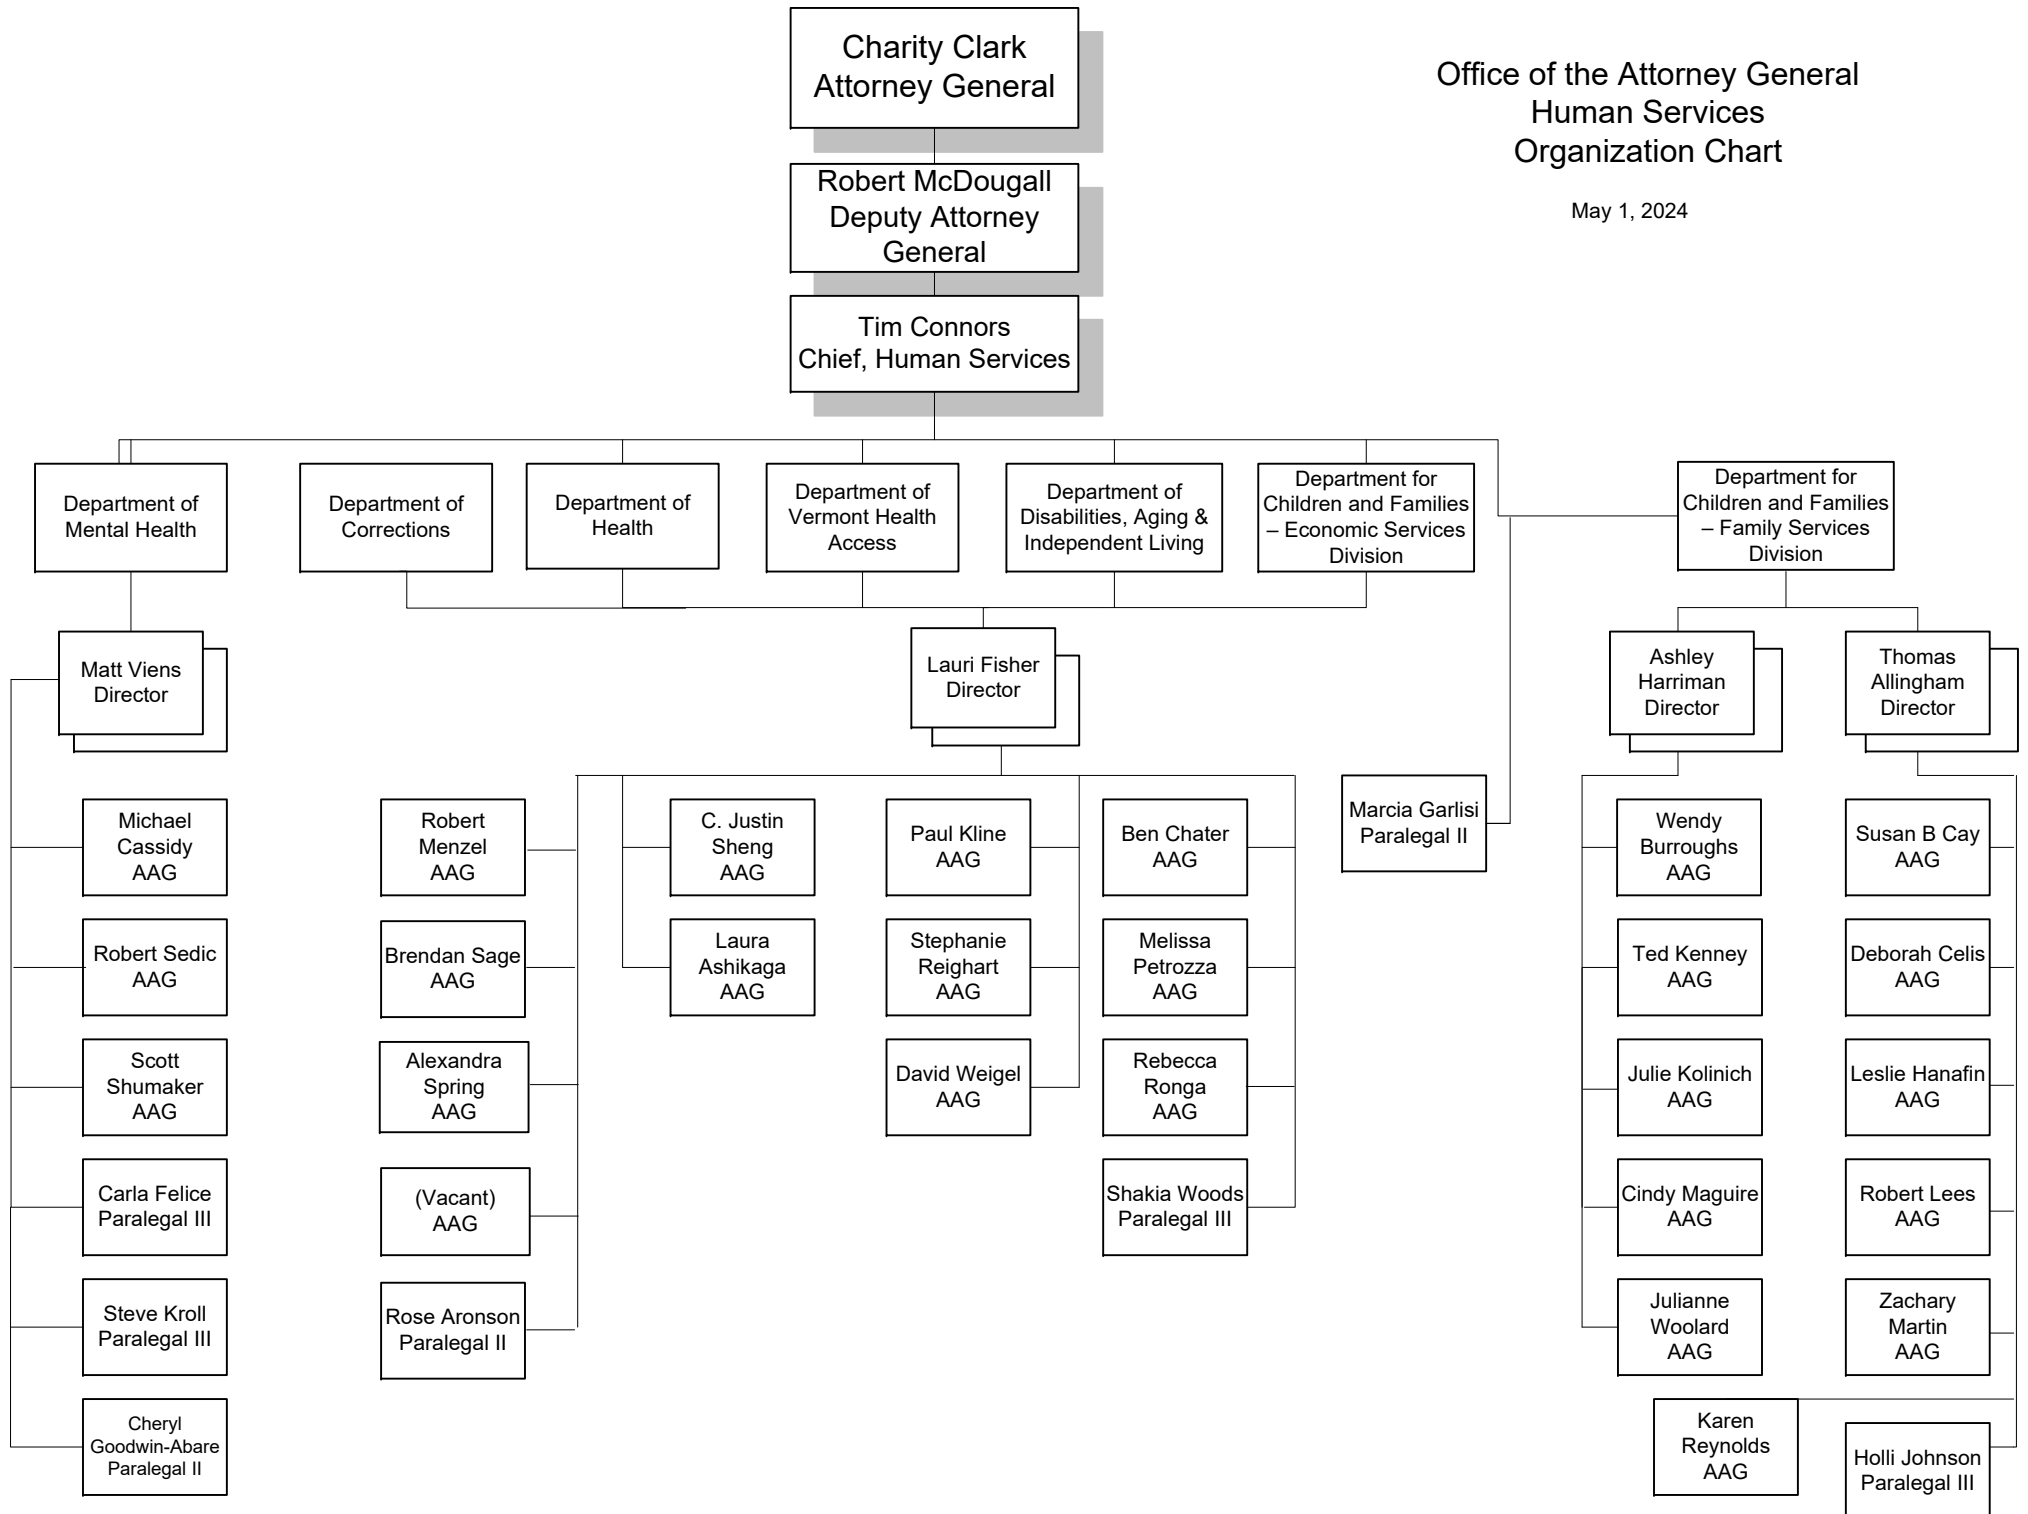

Sincerely,

/s/ Lauren Jandl
