## TAKE ADVANTAGE OF YOUR IDENTITY MONITORING SERVICES

You have been provided with access to the following services from Kroll:

### Single Bureau Credit Monitoring

You will receive alerts when there are changes to your credit data—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who will be able to help you determine if it is an indicator of identity theft.

### Fraud Consultation

You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

### Identity Theft Restoration

If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator will be able to dig deep to uncover the scope of the identity theft, and then work to resolve it.

Kroll's activation website is only compatible with the current version or one version earlier of Chrome, Firefox, Safari and Edge.

To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

## **Steps You Can Take to Protect Your Personal Information**

We encourage you to remain vigilant to signs you may be the victim of identity theft and to consider taking the following steps:

**Order Your Free Credit Report.** To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com), call toll-free at 877-322-8228, or complete the Annual Credit Report Request Form on the U.S. Federal Trade Commission's website at [www.ftc.gov](http://www.ftc.gov) and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. Do not contact the three credit bureaus individually; they provide your free report only through the website or toll-free number.

When you receive your credit report, review the entire report carefully. Look for any inaccuracies and/or accounts you don't recognize, and notify the credit bureaus as soon as possible in the event there are any.

You have rights under the federal Fair Credit Reporting Act ("FCRA"). These include, among others, the right to know what is in your file; to dispute incomplete or inaccurate information; and to have consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information. For more information about the FCRA, please visit <https://www.consumer.ftc.gov/articles/pdf-0096-fair-credit-reporting-act.pdf> or [www.ftc.gov](http://www.ftc.gov)

**Place a Fraud Alert on Your Credit or Consumer File.** To protect yourself from possible identity theft, consider placing a fraud alert on your credit file. A fraud alert helps protect you against the possibility of an identity thief opening new credit accounts in your name. When a merchant checks the credit history of someone applying for credit, the merchant gets a notice that the applicant may be a victim of identity theft. The alert notifies the merchant to take steps to verify the identity of the applicant. You can report potential identity theft to all three of the major credit bureaus by calling any one of the toll-free fraud numbers below. You will reach an automated telephone system that allows you to flag your file with a fraud alert at all three bureaus.

**Place a Security Freeze on Your Credit or Consumer File.** You have the right to place a "security freeze" on your credit file. A security freeze generally will prevent creditors from accessing your credit file at the three nationwide credit bureaus without your consent. You can request a security freeze free of charge by contacting the credit bureaus.

Equifax	P.O. Box 740241 Atlanta, Georgia 30374-0241	<a href="http://www.equifax.com">www.equifax.com</a>

The consumer reporting agencies may require that you provide proper identification prior to honoring your request. In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number
3. Date of birth
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years.
5. Proof of current address, such as a current utility bill or telephone bill
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to law enforcement agency concerning identity theft.

Placing a security freeze on your file may delay, interfere with, or prevent timely approval of any requests you make for credit, loans, employment, housing or other services. For more information regarding credit freezes, please contact the credit reporting agencies directly.

**Contact the U.S. Federal Trade Commission.** If you detect any incident of identity theft or fraud, promptly report the incident to your local law enforcement authorities, your state Attorney General and the Federal Trade Commission ("FTC"). If you believe your identity has been stolen, the FTC recommends that you take these additional steps.

- Close the accounts that you have confirmed or believe have been tampered with or opened fraudulently. Use the FTC's ID Theft Affidavit (available at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft)) when you dispute new unauthorized accounts.
- File a local police report. Obtain a copy of the police report and submit it to your creditors and any others that may require proof of the identity theft crime.
