Description: [REDACTED] Jenna's Promise a nonprofit organization. I believe that they are fraudulent with their grant money they received from the federal government as their family keeps a percent of the profits. They advertise to the community that they are paying for treatment but they only pay for it when it's free and paid for by VT Medicaid. I think it's false information to ask the community for donations and not use the money to help the girls. There is a lot of things that are shady. [REDACTED]. They are also verbally abusive at times. They only pay for sober housing when they own the property. They doubled the cost of rent. It's just sad and I wanted to bring it to someone's attention l. Thanks
