RE: Notice of Data Breach

Dear <<first_name>> <<last_name>>:

Satty, Levine & Ciacco CPA's P.C. ("Satty" or "we") values and respects the privacy of your personal information, which is why we are notifying you of a recent incident that may have involved some of your personal information. Below you will find information about what happened, steps we are taking, and resources and additional guidance to help you protect yourself if you feel appropriate.

What Happened? On February 27, 2024, Satty learned that an unauthorized party accessed a Satty ShareFile account. In response, we promptly secured our account and began an internal investigation. We also engaged a forensic security firm to investigate and confirm the security of our ShareFile account and our computer systems. Through that investigation, we determined that the unauthorized party downloaded certain files stored in our ShareFile account.

What Information Was Involved? Based on the findings of the investigation, we undertook a comprehensive review of the files that were downloaded by the unauthorized party. On April 14, 2024, we determined that these items included tax preparation materials related to you, including materials that contain your name, contact information, Social Security number, driver's license number, financial account number, income and other tax return information, and possibly bank account information.

What We Are Doing. We take the privacy and security of our clients' personal information very seriously. We have taken additional steps to reduce the risk of this type of incident occurring in the future by enhancing our technical security measures and procedures and providing additional security awareness training to our employees.

We are also offering a complimentary one-year membership of Experian IdentityWorksSM Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. IdentityWorks Credit 3B is completely free to you, and enrolling in this program will not negatively affect your credit score. **For more information on identity theft prevention and IdentityWorks Credit 3B, including instructions on how to activate your complimentary one-year membership, please see the additional information provided with this letter. What You Can Do. We encourage you to take advantage of the complimentary credit monitoring through Experian IdentityWorksSM Credit 3B. Information is included in a separate document enclosed with this letter. We also encourage you to carefully monitor the transactions in your financial accounts and on your credit report. You can find more information on steps to protect yourself against identity theft or fraud in the enclosed *Additional Important Information* sheet.

While we are not aware of any misuse of your information, out of an abundance of caution, we also encourage you to review the information provided by the Internal Revenue Service ("IRS") regarding proactive measures you can take to prevent unauthorized parties from filing a tax return using your information, including applying for an Identity Protection Pin ("IP PIN"). Further information regarding applying for an IP PIN can be found here: <https://www.irs.gov/identity-theft-fraud-scams/get-an-identity-protection-pin>.

In addition, if you believe you have been the victim of a fraudulently filed tax return, we encourage you to contact the Internal Revenue Service (“IRS”) regarding enrollment in their Taxpayer Protection Program. By enrolling in the Taxpayer Protection Program, the IRS will monitor your tax file to identify and prevent the processing of potentially fraudulent tax returns filed in your name. Further information regarding the Taxpayer Protection Program can be found here: <https://www.irs.gov/individuals/how-irs-id-theft-victim-assistance-works>.

For More Information. We value the trust you place in us to protect your privacy and take our responsibility to safeguard your personal information seriously. We sincerely regret and apologize for any inconvenience this incident might cause. Should you have any questions or concerns about this incident, please call <<TFN>> from 8:00 a.m. – 5:30 p.m., Central Time, Monday through Friday, excluding major U.S. holidays.

Sincerely,

Satty, Levine & Ciacco CPA’s P.C.

Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Credit Reports: By law, you may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies. Fraud Alerts: By law, you have the right to place a fraud alert on your credit report if you believe you have been, or are about to become, a victim of fraud or related crime. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at www.annualcreditreport.com/protectYourIdentity.action.

Credit and Security Freezes: By law, you have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:
