NOTICE OF DATA BREACH

Dear 

We are writing to provide you with important information regarding a cybersecurity incident that may have resulted in unauthorized access to your personal information. The Law Office of Manning, Zimmerman & Oliveira, PLLC ("MZO") is sending this letter to you as part of our commitment to protecting your privacy. **We are not aware of any instances of fraud or identity theft that have occurred as a result of this incident.** However, this letter provides some additional information about the incident and steps you can take to protect yourself from the misuse of your information.

What Happened? On December 21, 2023, we detected suspicious activity within our email environment. Upon discovery of this incident, we promptly took steps to secure our email environment and engaged a specialized cybersecurity firm to investigate the nature and scope of the incident. As a result of the investigation, we learned that an unauthorized actor had accessed one of our staff member's email accounts between November 18, 2023 and December 20, 2023. We immediately changed her password and have since forced two-factor authentication on all email accounts.

As we could not rule out that the unauthorized actor made a copy of the full email inbox, we performed an extensive and comprehensive review of the mailbox to identify all persons with personal information in the mailbox in an abundance of caution.

What Information Was Involved? The affected personal information within the mailbox varies by the individual and their association with MZO (for example as our vendor, client, family member of client, or expert witness), and included case-related documents. The following reportable data as to you may have been subject to unauthorized access and acquisition: name and Social Security number. For more information regarding your data that may have been affected, you may contact our dedicated assistance line using the contact information provided under "For More Information" on the second page of this letter.

What We Are Doing: Data security is one of our highest priorities. Upon detecting this incident, we moved quickly to initiate an investigation to remediate the incident and confirm the security of our email environment. We take the protection and proper use of personal information very seriously and have enhanced the security of our systems moving forward in an effort to prevent any further similar incidents.

As part of our ongoing commitment to information privacy and the security of information, we are notifying you of this incident, and we are providing you with access to Single Bureau Credit Monitoring/Single Bureau Credit Report/Single Bureau Credit Score services at no charge. These services provide you with alerts for <<service length>> months from the date of enrollment when changes occur to your credit file. This notification is sent to you the same day that the change or update takes place with the bureau.

Additional Information

Credit Reports: You may obtain a copy of your credit report, free of charge, whether or not you suspect any unauthorized activity on your account. You may obtain a free copy of your credit report from each of the three nationwide credit reporting agencies. To order your free credit report, please visit www.annualcreditreport.com, or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at <https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:

<p>Equifax Security Freeze P.O. Box 105788 Atlanta, GA 30348 1-800-349-9960 https://www.equifax.com/personal/credit-report-services/credit-freeze/</p>	<p>Experian Security Freeze P.O. Box 9554 Allen, TX 75013 1-888-397-3742 www.experian.com/freeze/center.html</p>	<p>TransUnion Security Freeze P.O. Box 160 Woodlyn, PA 19094 1-888-909-8872 www.transunion.com/credit-freeze</p>
--	--	---

Fraud Alerts: You can place fraud alerts with the three credit bureaus by phone and online with:

- ◆ Equifax (https://assets.equifax.com/assets/personal/Fraud_Alert_Request_Form.pdf);
- ◆ TransUnion (<https://www.transunion.com/fraud-alerts>); or
- ◆ Experian (<https://www.experian.com/fraud/center.html>).

A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are at the bottom of this page.

Monitoring: You should always remain vigilant and monitor your accounts for suspicious or unusual activity.

File Police Report: You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is often required to dispute fraudulent items. You can generally report suspected incidents of identity theft to local law enforcement or to the Attorney General.
