**Subject:** RE: solar CAP complaints

Good afternoon,

I called earlier and left a message but haven't heard back from you yet. It would be helpful to talk through exactly what information you are looking for, as there will likely be a cost associated with this request. Give me a call when you have a chance so we can narrow it and try to keep your costs down as much as possible. I'm available after 3:00 this afternoon and much of tomorrow. Thanks!
