Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

I am looking for the police records and court documents involving a DUI I had in 1981, between May and August. It was with the South Burlington Police. I am trying to answer questions on a background check and assume that this should be included?

It is under my maiden name of Lisa Sue Bartlett- I lived in esse Center at the time.

Thank you!
