Dear State Records Custodian, Pursuant to the Freedom of Information Act, I hereby request the following records:

A comprehensive list of all state funding allocations for the past 10 fiscal years (FY 2014-2023).

Detailed information on each grantee receiving state funds during this period, including:

- a. Grantee name and contact information
- b. Grant amount awarded
- c. Purpose of the grant
- d. Date of award
- e. Grant program or category

Any reports or summaries detailing the overall state funding distribution by year, category, and recipient type.

If any portion of this request is unclear, please contact me for clarification. If there are any fees associated with searching for or copying these records, please inform me if there is a cost. However, I would also like to request a waiver of all fees as the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of state funding allocation. I request that the information be provided in electronic format where possible. If any records are withheld or redacted, please state the specific legal and factual grounds for withholding such information. Please also provide all segregable portions of otherwise exempt material. I look forward to receiving your response within the statutory time limit. Thank you for your assistance in this matter.

Sincerely,

Anna Stanley
