Security Freeze: You have the right to place a security freeze on your credit file. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services. Please note that credit reporting agencies may charge a fee to place a security freeze.

To place a security freeze on your credit report, you must send a written request to each of the three major consumer reporting agencies: Equifax (www.equifax.com); Experian (www.experian.com); and TransUnion (www.transunion.com) by regular, certified or overnight mail at the addresses below:

Equifax Security Freeze
P.O. Box 105788
Atlanta, GA 30348

Experian Security Freeze
P.O. Box 9554
Allen, TX 75013

Trans Union Security Freeze
Fraud Victim Assistance Department
P.O. Box 2000
Chester, PA 19022-2000

In order to request a security freeze, you may need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;

6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.);
7. Social Security Card, pay stub, or W2;
8. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail or, if available, comply with the consumer reporting agencies' online procedures for lifting a security freeze, and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail or, if available, comply with the consumer reporting agencies' online procedures for removing a security freeze, and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.

Credit Reports: To order your free annual credit report, call toll-free 1-877-322-8228, visit www.annualcreditreport.com, or complete the Annual Credit Report Request Form online and mail it to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. Hearing impaired consumers can access the TDD service at 1-800-821-7232. For your free annual credit reports, do not contact the consumer reporting agencies individually; they provide this service only through www.annualcreditreport.com.

Fraud Alert: Consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. A fraud alert notifies creditors that you may be the victim of fraud and tells them to contact you before opening any new accounts. To place a fraud alert on your file, please contact any one of the three major consumer reporting agencies listed below. Additional information is available at www.annualcreditreport.com.
