Re: Public Records Request – September 20, 2024

Dear M. Stanley:

I write in response to your Public Records Act request received by the Attorney General's Office on Friday, September 20, 2024, in which you requested the following records:

1. A comprehensive list of all state funding allocations for the past 10 fiscal years (FY 2014-2023).
2. Detailed information on each grantee receiving state funds during this period, including:
 - a. Grantee name and contact information
 - b. Grant amount awarded
 - c. Purpose of the grant
 - d. Date of award
 - e. Grant program or category
3. Any reports or summaries detailing the overall state funding distribution by year, category, and recipient type.

Following a search, we have determined that the Attorney General's Office has no records that are responsive to Request #1 or #3. You may find helpful information related to the Attorney General's Office budget at: [Budget | Office of the Vermont Attorney General](#).

In response to Request #2, please review the information available at [Contracts and Grants | SPOTLIGHT on Financial Transparency \(vermont.gov\)](#). If you wish to request additional records or if this site does not provide records responsive to your request, please contact me so we may clarify your request, per 1 V.S.A. § 318(d).

Sincerely,

/s/ Todd W. Daloz
