You don't often get email from [records@americanaccountabilityfoundation.com](mailto:records@americanaccountabilityfoundation.com). [Learn why this is important](#)

The images are attached. There is a fair likelihood that there is significant overlap between the dates I have provided and the dates that are in the image.

Additionally since the dates in some of the images pre-date the current AG, I would expect you would apply the same policy as discussed in your response.

Thank you for your prompt reply.
