Re: Your November 2, 2024, Public Records Request

Dear Ms. Swensen,

On behalf of the Vermont Attorney General's Office (AGO) Consumer Protection Unit (CPU), we are writing in response to the public request you submitted through AGO's website on November 2, 2024. In which you requested: "I have had my Identity Stolen numerous times please help."

In your submission, you stated that you have had your identity stolen, however, did not identify any records you were requesting.

Based on the information provided, I understand your concern may relate to a recent Wells Fargo data breach. Please note that our office has no records related to you, or to any other individual, in connection with the 2024 Wells Fargo data breach. The limited information we have about that breach has been posted publicly to our website. You can see these records in another recent public records request response, available here: [2024-10-10 Layman Response to Knapp with Documents](#). If you are seeking some other form of public records, please clarify your request.

For assistance related to identity theft, we recommend contacting your state's attorney general at 1-800-869-1123 or via <https://consumer.georgia.gov/resolve-your-dispute>.

Best Regards,

/s/
