Dear Mr. Brooks-Connor,

Thank you for your public records request dated November 12, 2024, in which you request cell phone and banking records. Your request is unclear. If you are seeking your own phone and banking records, please note that the Vermont Attorney General's Office is not the custodian of the records you seek.

Based on the information provided, I understand your request may relate to a recent Wells Fargo data breach. Please note that our office has no records related to you, or to any other individual, in connection with the 2024 Wells Fargo data breach. The limited information we have about that breach has been posted publicly to our website. You can see these records in another recent public records request response, available here: [Layman response to Adams](#)

If you are seeking some other form of public records, please clarify your request.

Thank you,

Jessica Mishaan | Paralegal
