Re: Public Records Request

Dear Attorney Nuovo:

I write in response to your Public Records Act request received by the Attorney General's Office on Tuesday, November 26, 2024.

Due to the volume of potentially responsive materials and the need to search for, collect and appropriately examine separate and distinct records potentially held by various divisions with our office, the Attorney General's Office will need to invoke its right to additional time to formulate an initial response to your request pursuant to 1 V.S.A. § 318(b)(5)(B). The holiday last week also occasioned various staff absences that have added to the need for additional time to respond.

We will further respond within ten business days of receipt of your request—by Thursday, December 12, 2024.

Sincerely,

A handwritten signature in blue ink, appearing to read "Todd W. Daloz", enclosed within a blue oval scribble.

Todd W. Daloz, AAG
