Re: Your November 20, 2024, Public Records Request

Dear Mr. Hirsch:

I write in response to your recent public records request, received on November 20, 2024.

Specifically, you requested:

“any filings, documents, or correspondence by or from Goddard College, between the dates of June 1, 2024, and November 20, 2024, that demonstrate or itemize these financial obligations, [referenced in the college’s updated 11B V.S.A. § 12.02(g) Notice] for the satisfaction of which it is pursuing the sale of its campus to a for-profit entity.”

In your request, you also note that you have reviewed the Attorney General Office’s [“AGO”] response to Mr. Jacobson’s public records request, dated November 19, 2024. I am writing to inform you that we have now posted everything we have on this matter on the AGO’s website. In other words, through the links referenced in our response to Mr. Jacobson and the documents attached to that response, the AGO has posted all materials related to the potential sale of Goddard College and your specific request. As such, there is nothing further to disclose. For your convenience, I am including the links to all the documents here:
