Re: Your December 8, 2024, Public Records Request

Dear Joseph Antonio Torres,

On behalf of the Vermont Attorney General's Office (AGO) Consumer Protection Unit (CPU), we are writing in response to the public request you submitted through AGO's website on December 8, 2024. In which you requested: "Records on Wells Fargo Bank Data breach."

In response to your request, we have identified four documents in our records related to a security breach reported by Wells Fargo. The limited information we have about that breach has been posted publicly to our website. You can see these records in another recent public records request response, available here: [2024-10-10 Layman Response to Knapp with Documents](#). If you are seeking some other form of public records, please clarify your request.

For further assistance related to this matter, we recommend contacting your state's attorney general at (800) 621-0508 or via <https://texasattorneygeneral.gov/consumer-protection>.

Best Regards,

/s/

James Layman
Assistant Attorney General
Consumer Protection Unit
