Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

Video, Pictures, Micro Fitch, US Mail, Notes, Records Files and information regarding the Sedimentation Beds or Sludge Deposits at the Mouth of the La Chute River, Caused by Sewage Discharge and Industrial Mill Tailings and Wastes adjacent and up River from Fort Ticonderoga.

Over the last FIVE Decades and even Longer, the Town and Village of Ticonderoga with Systems Properties, International Paper and New York State , using the Waters of Lake George, NY flushed to Lake Champlain a very large quantity of wastes, sludge and sewage to where the La Chute River enters the South Bay in Lake Champlain.

I would like these Records and Files Please.

Electronic Files, PDFs, Photos and Images would be fine
