**Re: State of Vermont v. Jody Herring**

Dear Attorney Levine:

As your office is aware, our firm represents the Estates of Regina Herring and Julie Falzarano in connection with a civil wrongful death claim. I understand the criminal matter against Ms. Herring has concluded.

Pursuant to Vermont Public Records Law, 1 V.S.A. §§ 315-320, please provide my office with a *complete* copy of the criminal investigation and prosecution of Ms. Herring in connection with Regina Herring and Julie Falzarano's deaths. For example, please include all investigation reports, incident reports, reconstructions, diagrams, measurements, and any other analysis, in whatever form, by the state and local police departments. Please also include all photographs, witness statements (video, audio, and transcriptions), and deposition transcripts.

If there are any issues providing the records requested, kindly contact me so we can discuss the matter further.

Thank you for your anticipated assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Kristin A. Ross".
